VOLUNTEER: MAKE A DIFFERENCE IN ELIZABETHTOWN

Serve, Empower, Impact

March 2022

HISTORY

United Churches Elizabethtown Area (UCEA) was founded in 1969 to meet the need for affordable and quality childcare. UCEA created the Elizabethtown Child Care Center, which grew into its own organization.

Throughout its history, UCEA supported community projects and organizations while exploring the potential for more impact. The Community Cupboard grew from a food bank to a choice food pantry. UCEA currently spearheads Etown Meals on Wheels, the Community Cupboard, the Clothing Barn and the Community Place on Washington campus.

After dreaming of a centralized location for services, UCEA purchased property on Washington Street in 2018. This campus of 4 buildings, known as Community Place on Washington (CPOW), houses the programs of UCEA and other community non-profit organizations.
